REPORT OF THE BOARD OF DIRECTORS OF THE Montana Law Library.

TO HON. JOSEPH K. TOOLE,

Governor of Montana:

SIR :—In behalf of the Board of Directors of the Montana Library, and in compliance with Section 1526 of the Fifth Division of the Compiled Statutes, I have the honor to submit the following report upon the condition of the Library, on the 31st day of December, 1891. I have also included herewith an account of all the reports, text books, statutes and other law books, which have been purchased under the provisions of the act, entitled “An Act appropriating money for the benefit of the Montana Law Library,” for the year 1891, approved March 2, 1891.

Exhibit A, “law books purchased,” contains the titles and prices of treatises which have been bought in the year 1891.

Exhibit B includes the reports, statutes and digests which have been purchased in the year 1891.

Exhibit C embraces the reports and statutes which have been donated, or exchanged for the publications of the State of Montana.

Exhibit D comprises a list of books received for the Library, which do not belong to the Law Department.

The Law Library is now insured for the sum of twenty-five thousand dollars (\$25,000).

Maine’s Ancient Law was lost on the day on which it was received, and before the Librarian could properly mark it. Volume 9, of the Connecticut Reports, was borrowed by the attorneys for Henry

A. Root, to be used in a lawsuit then pending in the county of Silver Bow, and has not been returned. These are the only books which have been lost during the past year.

No purchases have been made on account of the Historical or Miscellaneous Library.

The Board of Directors respectfully call attention to the necessity for suitable shelves and book-cases for the National and State publications which have been added to the Library, and renew the recommendation concerning the same which has been made in former reports.

I am, very respectfully,

HENRY N. BLAKE

Chairman of the Board of Directors of the Montana Library.

Dated December 31, 1891.
